

Doña Gloria

*** ALL PRICES ARE IN EUROS *** NOW WITH PART AIR-CONDITIONING When one arrives at Doña Gloria you are invaded with a sensation of being in the heart of nature. The property, situated in a privileged position, on the highest part of a small hill, with 360° views orientated both towards the sea and the mountains. The avocado trees, that surround the property, grant a special colour of green to the landscape that contrasts with the vibrant blue of the sea on the horizon. This beautiful house of four bedrooms is perfectly maintained as the owners are constantly taking care of it in every detail. It consists of a spacious entrance hall that directs you to the kitchen, living area and a corridor leading to the bedrooms.
